Dear Steve and Joe,

It is with great joy that I write this letter. I am very delighted with the incredible work you and your staff have put into my sale.

Selling a company was a first for me, there were obvious voids in my preparation, your team serviced every aspect with incredible ease. You were informative, accurate and organized.

Looking back, the one thing that I admired most about you guys was the way you fought for me when it came to negotiations. I remember moments where I would have taken a lower offer, yet you stepped in the way and educated me why we should wait it out. We ended up with more money than I ever imagined for my company. For this you have my lifetime recommendation.

Thank you again, you were superb.

Sincerely yours,

Jersey City, NJ
